

CONFECTION TABLE

A dramatic display for your celebration

Each confection table should include the bride and groom's favorite sweets presented in an architecturally balanced and appealing way. We provide an abundant display of petite portions that create a dramatic display and allow for guests to try many things.

Below is a list to consider, however we strive to indulge your every whim and accommodate all special requests. Please also refer to our Cupcake Menu and our standard Small Bites.

For a wedding of 150-200 people, we typically suggest 5-10 items, depending on preferences and budget. Price per person ranges \$5.00 - \$15.00 depending on selection, bites per person, product assortment and item size. Assortments can be created to work within your budget and can be scaled to accommodate fluctuating guest count.
